XMS25SOCKETS Unicom Remote Control Socket Set

The XMS Remote Control Sockets from Uni-Com enable you to effortlessly turn on and off household appliances at a click of a button on the remote control.

Ideal for those hard to reach sockets where you may have televisions, lamps, Christmas tree lights, electric fans / heaters and many other household appliances plugged in.

Particularly useful for the elderly or those with mobility issues.

The sockets are easy to set up and simple to operate, and with a 20 metre wireless operating range they can be used all round the home
