### Specifications

XMS25SQTWIN DeWALT 175mm (7") & 300mm (12") Rafter Square Twin Pack

This XMS 175mm (7") & 300mm (12") Rafter Square Twin Pack from DeWalt has an ease of use which will win many GKO for Christmas admirers.

Extruded aluminium with debossed numbers and graduation facilitates the ease in which the user sees the measurement.

The product comes with anodized body and will not rust or corrode.

While the extra-large base (28mm) provides better grip on materials, and the extra thick body is ideal for use as a saw guide.
