Specifications

XMS25TRUCK DeWALT Folding Sack Truck

The XMS Folding Sack Truck, the DeWalt DXWT-FT512 Folding Handtruck, is included in the Get Kitted Out campaign to help you struggling with heavy loads and limited space.

This robust handtruck effortlessly tackles heavy lifting (up to 190kg!) while its compact, foldable design makes storage a breeze.

Its durable construction and smooth-rolling wheels ensure efficient transport, whether you're moving materials on a jobsite or tackling home projects.

The sack truck has unmatched strength: oversized tubing with a durable epoxy powder coat.

Features:

Space-saving design: folds flat in seconds for easy storage.

Smooth rolling: flat-free 175mm TPR wheels.

Comfortable grip: ergonomic comfort handle.

190kg capacity: handles heavy loads with ease - perfect for jobsites and home use
