Specifications

XMS25UTILHV Faithfull Folding Utility Knife Hi-Vis - Priced individually.

Now for the first time available in 4 different Colours, Green, Blue, Yellow and now, exclusively, in Orange for 2025.

The Exclusive XMS Folding Hi-Vis Utility Knife produced by Faithfull brings not only colour but more usefully a folding design with blade lock for added safety.

It has been proven the oval shape not only prevents snagging but provides extra operator comfort.

As well as their safety angle the Hi-Vis utility knife has a durable nylon handle to withstand being dropped while in use.

Another benefit is the quick change blade mechanism for user convenience.

Add that touch of bright colour to your pocket or toolbox!
