Specifications

Y411202-45 Fat Pad Trolley Jack Lifting Replacement Pad

The WINNTEC® Replacement Full Cover Rubber Fatpad is a full-coverage trolley jack saddle pad.

It is manufactured from high-quality rubber, perfect for ensuring stable load contact and reduced risk of point-loading damage.

Designed for a perfect fit for long-lasting professional lifting with the WINNTEC® 2 Ton Aluminium / Steel Turbo Lifter Trolley Jack (09707), WINNTEC® +SERIES 2 Ton Turbo Lifter Low-Profile Trolley Jack (09712), WINNTEC® +SERIES 3 Ton Turbo Lifter Trolley Jack (09713)

and WINNTEC® +SERIES 3 Ton Turbo Lifter Low-Profile Trolley Jack (09714).
