

Food Safe Grease Cartridges 400g

Part No: Z018K16

Price: £4.49 (exc VAT) | £5.39 (inc VAT)

Specifications

Exol Food Safe Grease Cartridges 400g A premium quality anhydrous grease for use in all anti-friction and plain bearings found in food processing environments. Designed for applications where frequent washdown of plant is essential. This grease is recommended for use where direct contact with food is not anticipated although incidental contact may occur. Applications may include pump bearings, conveyor bearings etc.
