

Z107K11 Libra XL EP2 500g Cartridge

Part No: Z107K11

Price: £4.19 (exc VAT) | £5.03 (inc VAT)

Specifications

Z107K11 Libra XL EP2 500g Cartridge

Libra XL EP2 is a lithium soap thickened lubricating grease based on mineral oil.

The grease contains antioxidants, corrosion inhibitors and EP/AW additives.

It is a state-of-the-art multi-purpose EP grease which can be used in various applications within the stated temperature limits.

This lubricating grease offers good mechanical stability and load carrying capacity making it suitable for heavily loaded bearings.

Specification: DIN KP2K-20 ISO-L-XBCFB 2
