

Z109K11 Grease Lithium XL Complex 500g Cartridge

Part No: Z109K11

Price: £4.95 (exc VAT) | £5.94 (inc VAT)

Specifications

Z109K11 Grease Lithium XL Complex 500g Cartridge

Lithium XL Complex is a lithium complex thickened lubricating grease based on mineral oil.

The grease contains antioxidants, corrosion inhibitors and EP/anti-wear additives.

The lithium complex soap makes the product suitable for applications over a very wide temperature range and especially applications at elevated temperatures.

The complex soap structure also gives the product a high degree of mechanical stability, which enhances the performance in vibrating housings and prolongs re-lubrication intervals.

Specification: DIN KP2N-30 ISO-L-XCDFB 2 Volvo Standard 1277.2 NLGI Standard GC-LB
